

Call for Participation

We invite you to join us in **7th International Conference on Biomedical Engineering and Science (BIENS 2023)**

This Conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications impacts and challenges of Biomedical Engineering and Science. The conference documents practical and theoretical results which make a fundamental contribution for the development of Biomedical Engineering and Science.

Highlights of BIENS 2023 include:

- 8th International Conference on Emerging Trends in Electrical, Electronics & Instrumentation Engineering (EEI 2023)
- 6th International Conference on Mechanical Engineering (MECHAN 2023)

Registration Participants

Non-Author/Co-Author/ Simple Participants (No Paper)

300 USD (With Proceedings)
