

Call for Participation

We invite you to join us in 8th International Conference on Emerging Trends in Electrical, Electronics & Instrumentation Engineering (EEI 2023)

This Conference aims to bring together researchers and practitioners from academia and industry to focus on recent systems and techniques in the broad field of electrical, instrumentation and communication Engineering. Original research papers, state-of-the-art reviews are invited for publication in all areas of Electrical Electronics & Instrumentation Engineering.

Highlights of EEI 2023 include:

- 7th International Conference on Biomedical Engineering and Science (BIENS 2023)
- 6th International Conference on Mechanical Engineering (MECHAN 2023)

Registration Participants

Non-Author/Co-Author/ Simple Participants (No Paper)

300 USD (With Proceedings)
